

- **1952 MG TDC**
- I received this car from my parents estate.
- It was restored by Dave's Import Service to original condition inside and out September 6, 1990.
- Driven 205 miles. Kept in parents garage.
- Car returned to Dave's Import by me on Nov. 9, 2017 to get car back on the road.
- Service at Dave's complete with mileage from restoration at 581. New tires all around.
- Although we love the car, a two-seater is just too small for our family.
